OFFICE OF THE RATIONING OFFICER, BANGALORE.

Notification dated 23rd May 1947.

No. A4. 964—46-47. It is hereby notified for the information of the Ration Card holders in Bangalore City that, as the cages provided for making entries of issue of Rations on existing cards do not admit of entries being recorded after 30th June 1947, printed slips providing for entries being made during the next 10 months have been issued to the several Foodgrains Distributing Centres in Bangalore for issue to card-holders.

2. Ration card-holders are requested to have these extension slips pasted to their Ration cards in their respective foodgrains Distributing Centres, to which the cards are assigned. The slips will be attached to the Ration cards by thoroughly pasting them in the spaces provided.

3. After the extension slip is pasted on to the Ration card, the rubber stamp of the Distributing Centre will be affixed thereon on the right hand corner at the top and persons in charge of the Distributing Centres have been requested to sign across the stamp and date the signature. The fact of issue of slip should be endorsed on the Ration card just below the Ration card number in red ink with the words "slip issued" with the initials of the head of the Distributing Centre and date of issue.

4. *Declared holders* :—As regards declared holders or others who have imported rationed articles into Bangalore City and on whose cards rationed articles have been adjusted, they are requested to draw their rations for June 1947 on or before the 28th instant and then to present their cards at the respective Divisional Food Offices. Food Inspectors have been requested to transfer the adjustment entries to the extension slips and return the Ration cards, duly pasting the slip on or before 1st July 1947.

5. Declared holders are therefore requested to present their ration cards and get the extension slip in time from the Divisional Food Inspector's Office of the Division, in which they reside. The distributing centres will not issue these extension slips to declared holders, whose cards bear certificates of adjustment.

N.B.—It may kindly be noted that once a slip has been pasted, no duplicate slip will be issued and therefore the Ration card holders are requested to preserve very carefully the slips once pasted.
